What is the Underlying force behind The DA VINCI CODE! Dan Brown has certainly gotten every one's attention in the world whether they are secular or religious! Why! If you are spiritually in tune than you will enjoy reading the next article!

Decoding- THE DA VINCI CODE

IF THERE IS AN ARTICLE THAT I WISH I WOULD NOT BE WRITING ABOUT WOULD BE THIS ONE!

It is a pity that Dan Brown has gotten every one's attention! Including that of God most probably!

I sense that the Lord looks upon Mr. Brown with amusement how he managed to turn an ugly fairy tale story into a money making machine that is generating millions of dollars in many countries!

I must admit that Mr. Dan Brown has been very witty and a genius in his plans, because whether his claims are believed by many or none at all, I really believe in my heart, He could care less!

He has been smart in that he found a name to write about that already had been a mega blockbuster name for centuries, which is none other than the majestic name of Jesus and His story!

Obviously Mr. Brown did not write a book depicting and inventing such lies and heresies about Muhammad the prophet of the Muslims, Buddha of the Buddhists, or Brahma of the Hindus, for he is well aware that what we would all be talking about him today would be a totally different story altogether. His popularity will definitely not be about his famous trickery how he managed to turn every one's attention on him and help propagate his agenda one way or another with false claims from every position one would dare to criticize this hoax-story.

It is true in many ways that every time someone speaks out against the film or the book, it is like free advertising. This I can assure you this is making Mr. Brown a very satisfied man about his project!

Whether Dan Brown is purposefully or not trying to infiltrate and anti-Christ mentality, which is exactly the whole purpose behind the Da Vinci Code I do not know, however it certainly has stirred up many heads(even though sadly, many are empty and easily influenced!)

Perverting the image of Jesus is only second to the top-purpose in Dan Brown's story in the movie and book Da Vinci Code, I strongly believe that above all the motivation force behind it is MONEY MONEY MONEY!

I will try to cover just a few of the most important basic points that have raised questions in the minds

of the many people from different circles of life because of this book and movie!

I would like to start by saying that all of Dan Brown's work is purely fictional and not based on any concrete truth. Brown simply played the right cards that led him a big jack pot!

As Dan Brown is well aware, all the Apostles and many of the disciples gave their life for the truths of Jesus Christ. Many till this day (more than a dozen daily globally) are being martyred for that Name and for the claims that He is Savior, The Son of God, the Messiah and God incarnate Him self! (Isaiah 7:14, Isaiah 9:6, Mark 16:61-64, John 8:58, John 10:30 ETC)

The disciples certainly didn't die believing that Jesus was just a pleasant prophet or an ordinary good man and teacher; they died defending His claim to be the Son of God who came to save the world. If I could interview Dan Brown I would question him this question!

Q: Mr. Dan Brown if you believe that what you are portraying and proclaiming through your books and movie is the truth and that people should put their trust in what you are saying, are you willing to lay down your life for the claims that you are making like the Lord's apostles and many of His followers did (and still do all over the world till this day?)

If Dan Brown's agenda is non other but to confuse many innocent lives and to pervert the incorruptible image of the Holy Savior and Lord Jesus Christ, he will shun that question like a coward and be sure that he will try to make many exaggerated claims based on non other than his self created theories, which have been many times over proven to be just lies and just as it is written in the book, FICTION!

Or else the most he can do is openly acknowledge that he was just writing a novel and his story is just a modern day thriller mixed with a lot of fairy tale inserts and imagination. (Fiction means: Imaginary tale, invention, invented story and creative writing!)

So if he doesn't believe it himself why would anyone (believe) buy the product from the seller who doesn't even believe in the product himself, because once again I stress that Dan Brown's successful and purposeful agenda is MONEY!

He could care less if you are a Christian or not. I do not think that Dan Brown is trying to start the Religion of Dan Brownians!!

Though Dan Brown may very well be an anti-Christ at heart and obviously that would make him a heathen and a pagan, the truth is that he is as lost as a puppy and ultimately God still loves Him and wishes that He repents and receives Jesus Christ as his personal Lord and Savior! This would certainly be a blockbuster story worth reading about, when Dan Brown would just taste the goodness of the Divine Love of The Son of God, Jesus.

I know that Jesus has done it to multitudes before and He is willing to do it again to Mr. Dan Brown. The great Apostle Paul, who was once Saul of Tarsus also was a blasphemer of Jesus Christ and a persecutor of Christians but God had mercy on Him and turned what the devil meant for evil, into something good; so good that we still read his books (Epistles) till this day! A very impressive work indeed that made it into the Hall of God's inspired books and are part of The Canonized Bible!

Tom Hanks and director Ron Howard have reminded critics that the film is fictional. I hope that those

have debates on the movie, which I am sure they are many, will remind the audience and participants that, that is purely so! Fiction-Not True at all! Just like Superman and Spider Man or The Matrix!

I strongly believe that "The Da Vinci"™ Code is so successful (not necessarily any more than the above mentioned titles) because I also believe that Dan Brown has satan himself as partner in the success of this movie! Why? Because if one sees any movie he or she had just gotten entertained, but when one sees the "Da Vinci Code"™ one has just gotten confused and his ideas and knowledge of the orthodox Christ just been destroyed or the least possibly shaken to the effect that he/she would dare to start questioning the authenticity of the stories of the Bible Jesus!

For those that are spiritually awakened/ alert and know how to discern the signs of the times that we are living in right now, one will see how this movie can play a good vehicle to destroy many souls into eternal damnation! Why so? "!.because no one can be saved without a true faith in the True Jesus that He is the Son of God and that God raised Him from the dead! (Read Romans 10:1-13)

Did Jesus start a male religion as Dan Brown wants us to believe?

Dan Brown blames the Old Catholic church leaders for manipulating the scene by hiding the true secret behind the story of Christianity, which supposedly is Mary Magdalene who he claims is carrier of the holy blood of Christ. He claims that Mary Magdalene was supposed to be the one who would carry on the church of Christ.

Mr. Brown wants us to believe that the hidden code that the Catholic Church has kept hidden from the world is that Mary Magdalene is the one carrying that blood lineage and that is why it is called the Holy Grail that has been searched for, for many years! (How dumb and silly) Only Forrest Gump could swallow something this goofy!

First of all I think that this theory is a really dumb idea. I wish some one had given this guy a Bible to read! (I would be glad to mail him one for free)

All through the Scriptures the Bible reveals how God always lifts up the gender of woman, not above of men's but in the same level of importance to God for sure. Starting even from the Old Testament we have read awesome stories of Sarah, Naomi, Ruth, Esther, Sarah, Deborah and others who were mightily used by God and even many times, have change history it self and save whole nations from destruction.

Dan Brown's theory could easily fan the flames of many woman who feel like that they have been unjustly treated by men and take this story for fact when all that it really reveals is what distance people are willing to go to even sell a dumb lie.

In the Beginning of creation, in Genesis chapter 1 and 2 we see that both Adam and Eve walked together beside God but when they sinned, by their own sin incited by satan brought separation 1ST between God and His creation (Human-kind) and 2ND separation came between The human Adam and His wife Eve (that is not to mention the rest of separation between Humans and animals and nature it self)

The good news is revealed clearly in the Gospels when Jesus openly received woman that were rejected (see gospel of St. John chapter 4 and chapter 8 and, many more!) Jesus also came to reconcile woman back to men and be treated equally; and woman and men reconcile back to God!

Colossians 1:19-20, "œFor God was pleased to have all his fullness dwell in him, and through him

to reconcile to himself all things, whether things on earth or things in heaven, by making peace through his blood, shed on the cross.â€• NIV

We know clearly that Jesus came to the Fatherâ€™s will and spoke as the Father spoke and did what He saw the Father do and in no place did Jesus ever reject people because of their gender.

John 5:19-21, â€œJesus gave them this answer: "I tell you the truth, the Son can do nothing by himself; he can do only what he sees his Father doing, because whatever the Father does the Son also does. 20 For the Father loves the Son and shows him all he does. Yes, to your amazement he will show him even greater things than these.â€•

John 8:28-29, â€œJesus said, "When you have lifted up the Son of Man, then you will know that I am [the one I claim to be] and that I do nothing on my own but speak just what the Father has taught me.â€•

John 10:30, â€œI and the Father are one."

John 10:38, â€œBut if I do it, even though you do not believe me, believe the miracles that you may know and understand that the Father is in me, and I in the Father."

Therefore the God of the Old Testament is in agreement with Jesus of the New Testament most definitely about woman issues! God is not a sexist. He is after the personâ€™s heart not his or her sexual gender!

Read here what the Bible says about woman and men alike, when they turn to Jesus!

Galatians 3:28-29, â€œWe are no longer Jews or Greeks or slaves or free men or even merely men or women, but we are all the same-we are Christians; we are one in Christ Jesus.â€• TLB

2 Corinthians 5:17-18, â€œTherefore, if anyone is in Christ, he (or she) is a new creation; the old has gone, the new has come!â€• NIV

Galatians 3:27-29, â€œThere is neither Jew nor Greek, there is neither slave nor free, there is neither male nor female; for you are all one in Christ Jesus.â€• NKJV

Colossians 3:9-11, â€œDo not lie to one another, since you have put off the old man with his deeds, and have put on the new man who is renewed in knowledge according to the image of Him who created him, where there is neither Greek nor Jew, circumcised nor uncircumcised, barbarian, Scythian, slave nor free, but Christ is all and in all.â€• NKJV

Colossians 3:11, â€œIn this new life one's nationality or race or education or social position is unimportant; such things mean nothing. Whether a person has Christ is what matters, and he is equally available to all.â€•

God does not just pour out His Holy Spirit on men only. He pours His Holy Spirit also on woman and as a matter of fact in the book of ACTS chapter 1 you can read how also Mary the mother of Jesus was in the upper room and spoke in tongues and was drunk in the Holy Ghost with the rest of them(read Acts 2)

Acts 2:17-19, "In the last days," God said, "I will pour out my Holy Spirit upon all mankind, and your sons and daughters shall prophesy, and your young men shall see visions, and your old men dream dreams. Yes, the Holy Spirit shall come upon all my servants, men and women alike, and they shall prophesy." TLB

There can be so much more said! However I spare you! If you want to acquire knowledge, don't read someone's material like Dan Brown's novel who plainly will insult your intelligence let alone is filled with lies!

If you have a hunger for the Truth first find the author who always writes Truth, who is Jesus, (John 14:6) who is The Truth Impersonated and secondly who told us that He speaks only the Truth, (John 17:17) and thirdly, read about some one who is writing some thing that is life and reality to him not just a nice fairy tale that only exists in his/or her imagination! Jesus did not just tell us a nice story of truth! He lived out the Truth and showed us that Truth is important to God as that is what He came to preach, live and died for!

Da Vinci code is just a 'passing fad' that the devil thought it could make Jesus seem just another ordinary good man! Ha ha ha! (What a waist of time and money){Lost again!}

Jesus Christ will continue to speak to millions of generations and people of all races, religions and back grounds, to all those that are hungry for the Truth! Every one who loves the Trust will listen to Jesus!

John 18:37, "Jesus answered, "You are right in saying I am a king. In fact, for this reason I was born, and for this I came into the world, to testify to the truth. Everyone on the side of truth listens to me." NIV
